LISBON INTERNATIONAL CLINICAL CONGRESS

ESPÍRITO SANTO SAÚDE

13-14  
FEB 2014

## MINIMALLY INVASIVE AND ROBOTIC SURGERY

Directors: Carlos Vaz, Keith Kim, Jacques Himpens

> 13 FEBRUARY 2014 [ PRELIMINARY PROGRAM ]

**8:15 AM** Opening & registration

**8:30 AM** Welcome and introduction  
Carlos Vaz [ PT ]

### Colorectal surgery

**9:00 AM** A novel hybrid approach for large colorectal polyps removal: Laparoscopic assisted colonoscopic polyps removal  
David Serra [ PT ]

**9:15 AM** Rectal cancer: Surgical anatomy  
Carlos Vaz [ PT ]

**9:30 AM** Local treatment of low rectal cancer: The role of contact radiotherapy (brachytherapy)  
Jean-Pierre Gérard [ FR ]

**9:50 AM** Trans anal minimally invasive surgery for rectal cancer (TAMIS) – A new approach  
Angelita Habr-Gama [ BR ]

**10:10 AM** Robotic rectal cancer surgery  
Advantages over laparoscopic and open surgery  
Personal experience  
Technique: Details and pitfalls  
Seon-Hahn Kim [ KR ]

**10:40 AM** Discussion  
Moderators: José Damião Ferreira [ PT ] | Rui Maio [ PT ] | Francisco Mascarenhas [ PT ]

**11:00 AM** [ Coffee break ]

### Robotic thyroid surgery

**11:30 AM** Robotic assisted thyroid surgery by axillary approach: Postoperative and cosmetic outcomes  
Ronald B. Kuppersmith [ USA ]

**12:00 AM** Discussion  
Moderators: Olímpia Cid [ PT ] | Miguel Allen [ PT ] | António Garrão [ PT ]

**Faculty:** Almino Ramos | Angelita Habr-Gama | António Garrão | Carlos Vaz | Francisco Castro e Sousa | César Resende | José Costa Maia | David Serra | Francisco Mascarenhas | Hans Eickhoff | Jacques Himpens | James Moser | Jean-Pierre Gérard | João Rebelo de Andrade | José António Pereira | José Damião Ferreira | Keith Kim | Kelvin Higa | Mário Nora | Miguel Allen | Nilton Kawahara | Olímpia Cid | Paulo Roquete | Pier Cristoforo Giulianotti | Ronald B. Kuppersmith | Rui Maio | Rui Ribeiro | Seon-Hahn Kim

## MINIMALLY INVASIVE AND ROBOTIC SURGERY

Directors: Carlos Vaz, Keith Kim, Jacques Himpens

> 13 FEBRUARY 2014 [ PRELIMINARY PROGRAM ]

### Master lecture

12:15 AM From the world first robotic operation to the present. Towards the future  
Jacques Himpens [ BE ]

12:45 AM [ Lunch ]

### Live surgery

1:30 PM Session 1 [ two operations ]  
Moderators: Jacques Himpens [ BE ] | Nilton Kawahara [ BR ]

LRYGB

Kelvin Higa [ USA ]

Robotic RYGB

Keith Kim [ USA ]

3:00 AM Session 2 [ two operations ]  
Moderators: José Damião Ferreira [ PT ] | Rui Maio [ PT ]

Robotic anterior rectal resection

Seon-Hahn Kim [ KR ]

Laparoscopic assisted colonoscopic polyp removal

David Serra [ PT ]

Carlos Vaz [ PT ]

4:30 PM End of first day

**Faculty:** Almino Ramos | Angelita Habr-Gama | António Garrão | Carlos Vaz | Francisco Castro e Sousa | César Resende | José Costa Maia | David Serra | Francisco Mascarenhas | Hans Eickhoff | Jacques Himpens | James Moser | Jean-Pierre Gérard | João Rebelo de Andrade | José António Pereira | José Damião Ferreira | Keith Kim | Kelvin Higa | Mário Nora | Miguel Allen | Nilton Kawahara | Olímpia Cid | Paulo Roquete | Pier Cristoforo Giulianotti | Ronald B. Kuppersmith | Rui Maio | Rui Ribeiro | Seon-Hahn Kim

## MINIMALLY INVASIVE AND ROBOTIC SURGERY

Directors: Carlos Vaz, Keith Kim, Jacques Himpens

> 14 FEBRUARY 2014 [ PRELIMINARY PROGRAM ]

### Bariatric and metabolic surgery

8:00 AM Long term outcomes: an experience of 10.000 cases over the last 15 years. What should we expect?  
Jacques Himpens [ BE ]

8:20 AM GERD surgery after Roux-Y gastric bypass: Personal experience  
Nilton Kawahara [ BR ]

8:30 AM Implementing a robotic bariatric program in Brazil: A unique experience  
Almino Ramos [ BR ]

8:45 AM Laparoscopy vs Robotics

The case for Laparoscopy  
Kelvin Higa [ USA ]

The case for Robotics  
Keith Kim [ USA ]

9:15 AM Redo bariatric surgery: The role of robotics  
Keith Kim [ USA ]

9:35 AM Discussion  
Moderators: Mário Nora [ PT ] | Rui Ribeiro [ PT ] | Paulo Roquete [ PT ]

10:00 AM [ Coffee break ]

### Hepatobiliopancreatic surgery

10:30 AM Robotic HBP Surgery - An overview  
Pier Cristoforo Giulianotti [ IT ]

10:50 AM Hepatic Resection - Where we are, how far can we go  
Pier Cristoforo Giulianotti [ IT ]

11:10 AM Robotic duodenopancreatectomy - The present and the future  
James Moser [ USA ]

11:30 AM Discussion  
Moderators: Francisco Castro e Sousa [ PT ] | José Costa Maia [ PT ] | João Rebelo Andrade [ PT ] | José António Pereira [ PT ]

12:00 AM [ Coffee break ]

### Edited videos session

Presenters to be confirmed

12:30 AM Discussion  
Moderators: Hans Eickhoff [ PT ] | César Resende [ PT ]

2:00 PM Closure

**Faculty:** Almino Ramos | Angelita Habr-Gama | António Garrão | Carlos Vaz | Francisco Castro e Sousa | César Resende | José Costa Maia | David Serra | Francisco Mascarenhas | Hans Eickhoff | Jacques Himpens | James Moser | Jean-Pierre Gérard | João Rebelo de Andrade | José António Pereira | José Damião Ferreira | Keith Kim | Kelvin Higa | Mário Nora | Miguel Allen | Nilton Kawahara | Olímpia Cid | Paulo Roquete | Pier Cristoforo Giulianotti | Ronald B. Kuppersmith | Rui Maio | Rui Ribeiro | Seon-Hahn Kim
